The Need

In 1983 N.C. Senior Games began with a vision to create a year-round health promotion and education program for North Carolinians 50 years of age and better. Today we have 53 Local Games programs that serve all 100 counties across the state. Senior Games is a holistic approach to body, mind and spirit, staying fit while enjoying the company of friends, family, spectators, and volunteers.

- The foundation of NC Senior Games has always been Local Games and the current registration process and communication network for Local Games is based on a system created for one Local Games 15 years ago. As such, it is very inefficient to use for Local Games staff and expensive to maintain. Participants must register with paper registration forms and pay by check. Each form must be entered by hand by Local Games staff.
- This new comprehensive communication network for North Carolina Senior Games, "The Torch Network" or "Torch 1.0" will incorporate the latest technology to establish a new and improved infrastructure for all Senior Games stakeholders. The Torch Network will provide better customer service for Local Games participants, more efficient use of Local Coordinator time, better communication with State Finals volunteers, and more cost effective communication with contributors .

We have raised \$30,000 towards our goal of \$90,000...but we still have a long way to go. The first phase of Torch 1.0 will roll out in January 2016 so we need your support NOW.
