

2017 NC Senior Games State Finals

Doubles Participants seeking a Partner

Please carefully read the following rule, from the NCSG Rules book, to determine if you are eligible to change partners. Please note the registration deadline for ALL State Finals participants is August 1, 2017. The last day to change one's partner is the cancellation deadline. No changes may be made at the event.

Doubles Partners – If an individual's partner cannot come to State Finals, that person may select another partner who qualified in **that Sport** at a Local Games. For example, a participant that qualified in Bowling Doubles may select another partner who qualified in Bowling Singles, Doubles or Mixed Doubles. All changes must be made in writing and meet the published deadline stated in the Entry Packet.

Doubles Sports: the age of the *younger* player will determine the age category. A player may compete in only one age group. The age categories are the same as in individual sports.

Please contact NCSG at NCSG@ncseniorgames.org with your name, Local Games Name, age category, email address **or** phone number that you would like listed here.
