We are so proud that you qualified at your Local Games for State Finals! We look forward to seeing you this Fall.

NCSG Staff

Please closely review your Confirmation.

Let NCSG know immediately if any corrections are needed!

1. Are your name, address and email address correct?
2. Are your age category, and gender correct? Your age for competition is determined by your age as of December 31st, 2023. Your team/doubles age category is determined by the youngest player and may be different than the one listed on your Confirmation. Closely proof your cell phone number as it may be used during the Games for weather related texts.
3. Are the activities listed on your Confirmation correct? See important dates below for deadlines. **All changes must be made in writing; email is best!** Is the qualifying score/time correct? If not, contact your Local Coordinator. Only a Local Coordinator can make changes to Local Games results.

5. **Are there any "Notes" on your Confirmation?** If so, NCSG has questions about your Entry Form. Please read them carefully. Please contact NCSG in writing, email is best, with the correct information immediately.
6. **Have any questions?** Call your Local Senior Games Coordinator or visit our website: www.ncseniorgames.org.
