

NC Senior Games State Finals

Team Sport Player Pick-up

If you are a **team captain** and you are interested in seeking additional team members, please send an email to ncsg@ncseniorgames.org and request that your team be added to this document and include your Team Name, Team Age Group, Local Games Name and contact email or phone number that you would like listed in the player pick-up document on the NCSG website.

If you are a **qualified participant**, and your team is not coming to State Finals, and you would like to find a team, please send an email to ncsg@ncseniorgames.org with your request to be added to this document and contact email or phone number that you would like listed in the player pick-up document on the NCSG website.

Please read the following rule from the NCSG Rules Book, in detail, to determine if you are eligible to be added to another roster or if your team may be eligible to pick up a player from another team.

Team Sports:

Team Player Pickup – A maximum of three (3) players for Basketball and five (5) players for Softball may be added to team rosters following qualification if they meet the following requirements: (1) In order to be added to a team's roster, a player must have registered for and competed in that event at a Local Game in North Carolina in the same qualifying year; (2) A player may only be added to another team's roster if the team captains of both teams (the qualifying team and the adding team) approve in writing (can be emailed).

- a. The age group of a team is determined by the age of the youngest team member. At State Finals, the team will compete in the age group in which it qualified at the Local Game, unless that team adds a player from a younger age group. If a team adds a player from a younger age group, that team will compete in the age group of the player added.

Softball Tournament

September 29th: Last day to add qualified/registered members to a Softball Team

Teams seeking additional players
