Team Sport Player Pick-up

*If you are a **team captain** and you are interested in seeking additional team members, please ask your Local Coordinator to contact NCSG with your request to be added to this document.*

*If you are a **qualified participant** and your team is not coming to State Finals and you would like to find a team, please ask your Local Coordinator to contact NCSG with your request to be added to this document.*

Please read the following rules, in detail, to determine if you are eligible to be added to another roster or if your team may be eligible to pick up a player from another team.

Team Sports:

A maximum of three (3) players for Basketball and five (5) players for Softball may be added to team rosters following qualification if they meet the following requirements: In order to be added to a team's roster, a player must have registered for and competed in a Local Game in North Carolina, in the qualifying year. Also, a player may only be added to another team's roster if the team with which they qualified is not going to compete at State Finals.

- a. The age group of a team is determined by the age of the youngest team member. At State Finals, the team will compete in the age group in which it qualified at the Local Game, unless that team adds a player from a younger age group. If a team adds a player from a younger age group, that team will compete in the age group of the player added.
