

Very sad news has come to NCSG. Our longtime friend, Board member, Spirit Club member and inspiration, Trish Speers, passed away on Sunday, March 18th. She died in her home with her niece and brother-in-law by her side.

Her obituary in [the Pilot is linked here](#). NCSG is one of the organizations to which she requested donations be made. The article gives NCSG's correct address but the correct zip code is 27606. Gifts in her memory may also be made through our website.

Trish participated in Senior Games in the Pines since its inception and attended State Finals and Nationals faithfully. She provided transportation to Senior Games activities for many other participants and promoted good health as an NCSG Ambassador. She served on the NCSG Board of Directors, was the state's first SilverStrider, first Spirit Club member and remains largest financial contributor to North Carolina Senior Games.

She will certainly be missed but her legacy to Senior Games will live on.
